The screenshot shows the VnEcoms Vendor Panel interface. At the top, there is a navigation bar with the VnEcoms logo and the text 'VnEcoms Vendor Panel'. To the right of the logo are links for 'My Account', 'Messages', 'Configuration', and 'Logout'. Below this is a secondary navigation bar with icons and labels for 'Dashboard', 'Sales', 'Catalog', 'Credit', 'Advanced Faq', and 'News'. A breadcrumb trail below that reads 'Home > Catalog > Manage Categories > Edit Category'. The main content area is titled 'Edit Category 'Cellphones'' and features three buttons: 'Back', 'Reset', and 'Save Category'. On the left, there is a sidebar with 'Category Information' and 'Meta Data' sections. The main form area is titled 'Category information' and contains the following fields:

Name *	Cellphones
Parent Category	Electronics
Is Active	Yes
Sort order *	0
Url Key	cellphones
Description	
Page Layout	No layout updates
Hide All Products	No

Vendor need to set general information of category : name, parent category, is active, sort order, description. Vendor can also set the URL key and Meta information for the category. It's great feature for SEO.

Vendor can also change the layout of the category to 1 column, 2 columns left, 2 columns right or 3 columns.

III. Vendor Category Page

On vendor home page customer will see the list of categories.
